WHAT WE ARE

- A warm, caring group of individuals probably much like yourself, who are not professional caregivers, but loving, family members who may be just as overwhelmed as you are.
- A group where you can share as much of your caregiving story as you wish, when you are ready, in a confidential, trusting environment lead by a trained facilitator.
- A group of people who've walked in the same shoes you are walking in, and may have learned some caregiving tricks that could make your challenges easier.

WHAT WE ARE NOT

- We are not a therapy group. Support groups provide a safe environment.
- There is no charge for attending a Caregiver Support Group.
- You don't have to drive for miles to get to a group; there's generally a group meeting near your home.
